## PEO (Professional Employer Organization)

It's probably an acronym that you have heard, but what does it really mean, and is a PEO (Professional Employer Organization) right for you?

A PEO is a co-employment relationship, meaning LBMC Employment Partners, the first Tennessee-based PEO to receive the Certified Professional Employment Organization (CPEO) designation, optimizes human resources for your business. The benefit of being part of a PEO means no matter your company size, your employees will be part of a larger pool, giving you lower benefits costs, and a lower cost per employee for all HR services.

The management of employees become more and more complex each day. Alleviate the complexities of Human Resources Management by outsourcing non-core business functions while you focus on revenue-producing operations.

“*Our relationship with LBMC Employment Partners has been sustained for the past 13 years thanks to the team's commitment to offering personalized support and advice to all of us at MVI Field Services.*

— Rick Patterson, President, MVI Field Services
